How to Gain Access to HokieMart and Sign Up for HokieMart Training

Thank you for your interest in HokieMart and HokieMart training. There are two classes offered: Requestor and Receiver training. Depending on your department’s requirements, you may need to take one or both sessions. The training classes supplement and provide Users with a better understanding of the e-procurement process available through HokieMart.

To Get Started:

Before you attend class, you should have:

1. an established Virginia Tech PID

2. access to HokieMart
   o It is highly recommended that you do this part now; this process will take a few days to complete.
   o Access Request Forms can be found at https://www.procurement.vt.edu/hokiemart/forms.html;
   o Have the appropriate administrative person, department head or supervisor in your area complete the required Access Request Form(s).
   o After the form has been sent to Cammie Tucker camillet@vt.edu and you have been set up in the system, you will receive an email advising you that you have access to login to HokieMart.

3. View the tutorials and set up your User Profile in HokieMart. (Do this before attending class!)
   o Entering your User Profile steps include:
     • adding the organization and fund(s) information required for your responsibilities.
     • learning how to add this information into your HokieMart profile by viewing the on-line training tutorial: Creating and managing user preferences https://www.procurement.vt.edu/hokiemart.html.
       ▪ Have a piece of paper handy to jot down questions you can ask when you come to class.
       ▪ You can view the modules as often as necessary or refer to the online Requestor User Guide and Quick Guides.

4. HokieMart Requestor and/or Receiver training, sessions are now open for registration. Visit the UOPD website to register http://uopd.vt.edu/. Scroll down
the page to the Register Now link. Log in through two factor authentication to access the Coursewhere site.

We strongly encourage you to consider attending the new offering, entitled ABC’s of Procurement; this is a two part-training course. We also offer a valuable course entitled Contract Administrator Training.
