QG - Search for Shared Departments

As the need arises the user can perform a search which will provide a list of the Purchase Requisitions (PRs) created for Shared Departments. Navigate to the document search feature.

Click on Search Documents to bring up the search screen

Type Shared Department in the Prepared For field

All Shared Department PO's for selected search criteria should appear.

- One additional sort option is available. The user can select and sort by:
 - Best match,
 - Submit date newest first,
 - Submit date oldest first,
 - Total high to low, or
 - Total low to high.
