SECTION II – LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who Is An Insured

The following are "insureds":

- a. You for any covered "auto".
- b. Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.
- c. Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as nofault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

B. Exclusions

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured".

2. Contractual

In this exclusion, your work means:

- Work or operations performed by you or on your behalf; and

Your work includes warranties or representations made at any time with respect to the fitness, quality, durability or performance of any of the items included in Paragraph **a.** or **b.** above.

13. Racing

Covered "autos" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. This insurance also does not apply while that covered "auto" is being prepared for such a contest or activity.

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from

continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this coverage form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part

SECTION III -- PHYSICAL DAMAGE COVERAGE

4. Coverage Extensions

a. Transportation Expenses

We will pay up to \$20 per day to a maximum of \$600 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type. We will pay only for those covered "autos" for which you carry either Comprehensive or Specified Causes Of Loss Coverage. SECTION IV - BUSINESS AUTO CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- **b.** Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:
 - (1) How, when and where the "accident" or "loss" occurred;
 - (2) The "insured's" name and address; and
 - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- **b.** Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
- **(4)** Authorize us to obtain medical records or other pertinent information.
- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.
- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:
 - (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
 - (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
 - (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
 - (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this coverage form until:

- **a.** There has been full compliance with all the terms of this coverage form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option we may:

a. Pay for, repair or replace damaged or stolen property;

- **b.** Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft; or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this coverage form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this coverage form.

2. Concealment, Misrepresentation Or Fraud

This coverage form is void in any case of fraud by you at any time as it relates to this coverage form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This coverage form;
- **b.** The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this coverage form.

3. Liberalization

If we revise this coverage form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee – Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this coverage form.

5. Other Insurance

- a. For any covered "auto" you own, this coverage form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this coverage form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this coverage form provides for the "trailer" is:
 - (1) Excess while it is connected to a motor vehicle you do not own.
 - (2) Primary while it is connected to a covered "auto" you own.
- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".
- c. Regardless of the provisions of Paragraph a. above, this coverage form's Liability Coverage is primary for any liability assumed under an "insured contract".
- d. When this coverage form and any other coverage form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our coverage form bears to the total of the limits of all the coverage forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this coverage form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- b. If this policy is issued for more than one year, the premium for this coverage form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this coverage form, we cover "accidents" and "losses" occurring:

- **a.** During the policy period shown in the Declarations; and
- **b.** Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
- (4) Canada; and
- (5) Anywhere in the world if:
 - (a) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and
 - (b) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this coverage form and any other coverage form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the coverage forms or policies shall not exceed the highest applicable Limit of Insurance under any one coverage form or policy. This condition does not apply to any coverage form or policy issued by us or an affiliated company specifically to apply as excess insurance over this coverage form.

SECTION V - DEFINITIONS

- B. "Auto" means:

 - 2. Any claim or "suit" by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

"Covered pollution cost or expense" does not include any cost or expense arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

- **a.** That are, or that are contained in any property that is:
 - (1) Being transported or towed by, handled or handled for movement into, onto or from the covered "auto";

- b. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto"; or
- c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other simi-

lar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

- (1) The "pollutants" escape, seep, migrate or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and
- (2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraph 6.b. or 6.c. of the definition of "mobile equipment".

Paragraphs **b.** and **c.** above do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (b) The discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused directly by such upset, overturn or damage.
- E. "Diminution in value" means the actual or perceived loss in market value or resale value which results from a direct and accidental "loss".
- **F.** "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".
- G. "Insured" means any person or organization qualifying as an insured in the Who Is An Insured provision of the applicable coverage. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another to pay for "bodily injury" or "property damage" to a third party or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement:
- 6. That part of any contract or agreement entered into, as part of your business, pertaining to the rental or lease, by you or any of your "employees", of any "auto". However, such contract or agreement shall not be considered an "insured contract" to the extent that it obligates you or any of your "employees" to pay for "property damage" to any "auto" rented or leased by you or any of your "employees".

An "insured contract" does not include that part of any contract or agreement:

- a. That indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations, within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, roadbeds, tunnel, underpass or crossing;

VIRGINIA CHANGES – BUSINESS AUTO COVERAGE FORM

For a covered "auto" licensed or principally garaged in Virginia, this endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. Paragraph A. Coverage of Section II – Liability Coverage is replaced by the following:

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We have the right and duty to defend any "suit" for such damages, even if the "suit" is groundless, false or fraudulent. However, we have no duty to defend "suits" for "bodily injury" or "property damage" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

In return for the payment of the premium, and subject to all the terms of this policy, we agree with you to provide the insurance as stated in this policy.

B. Paragraph A.1.b. of Section II – Liability Coverage is amended by the addition of the following:

1. Who is An insured

The following are "insureds":

- **b.** Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (6) Your customers, if you are in the motor vehicle business. However, if a customer of yours:
 - (a) Has no other valid and collectible insurance applicable to the same "accident", they are an "insured" but only up to the financial responsibility limits specified in

Section 46.2-472 of the Code of Virginia.

(b) Has other valid and collectible insurance applicable to the same "accident" less than the financial responsibility limits specified in Section 46.2-472, they are an "insured" only for the amount by which the financial responsibility law limits exceed the limits of their other insurance.

Motor vehicle business means the business of selling, leasing, repairing, servicing, storing or parking motor vehicles which are:

- (a) Used for demonstration purposes by a prospective purchaser;
- (b) Loaned or leased to another as a temporary substitute while such person's "auto" is being repaired or serviced; or
- (c) Leased to another for a period of six months or more.
- C. Paragraph A.2. Coverage Extensions of Section II – Liability Coverage is amended as follows:
 - Paragraphs a.(3), a.(5) and a.(6) of Supplementary Payments are replaced by the following:

a. Supplementary Payments

We will pay for the "insured":

- (3) The cost of bonds to release attachments in any "suit" we defend, but only for bond amounts within our Limit of Insurance.
- (5) All court costs taxed against the "insured" in any "suit" we defend. However, these payments do not

- include attorneys' fees or attorneys' expenses taxed against the "insured".
- (6) All interest on the full amount of any judgment that accrues after entry of judgment in any "suit" we defend; but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.
- **2.** Paragraph **a. Supplementary Payments** is amended by the addition of the following:
 - a. Supplementary Payments

We will pay for the "insured":

- (7) Prejudgment interest awarded against the "insured" on that part of the judgment we pay. If we make an offer to pay the applicable Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.
- D. Paragraph A.2.b.(1) of Section II Liability Coverage is replaced by the following:
 - 2. Coverage Extensions
 - b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- E. Paragraph B. Exclusions of Section II Liability Coverage is amended as follows:
 - 1. Paragraph B.4. Employee Indemnification And Employer's Liability Exclusion is replaced by the following:

- a. An "employee" of the "insured" arising out of and in the course of employment by the "insured"; or
- **b.** The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph **a.** above.

This exclusion applies:

(1) Whether the "insured" may be liable as an employer or in any other capacity; and (2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

But this exclusion does not apply to "bodily injury" to "employees" not entitled to workers' compensation benefits or to liability assumed by the "insured" under an "insured contract".

 - Regardless of the number of covered "autos",
 "insureds", premiums paid, claims made or
 vehicles involved in the "accident", the most
 we will pay for the total of all damages
 resulting from any one "accident" is the Limit
 of Insurance for Liability Coverage shown in
 the Declarations.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

2. We will apply the limit shown in the Declarations to first provide the separate limits required by Virginia law as follows:

- a. \$25,000 for "bodily injury" to any one person caused by any one "accident"; and
- **b.** Subject to **2.a.** above, \$50,000 for "bodily injury" to two or more persons caused by any one "accident"; and
- **c.** \$20,000 for "property damage" caused by any one "accident".

This provision will not change the Limit of Insurance.

- G. The Business Auto Conditions of Section IV are amended as follows:
 - Paragraph A.2.b.(3) of the Duties In The Event Of Accident, Claim Or Loss Condition is replaced by the following:
 - **b.** Additionally, you and any other involved "insured" must:

VIRGINIA CHANGES IN POLICY – CANCELLATION AND NONRENEWAL

For a covered "auto" licensed or principally garaged in, or "garage operations" conducted in, Virginia, this endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
BUSINESS AUTO PHYSICAL DAMAGE COVERAGE FORM
GARAGE COVERAGE FORM
MOTOR CARRIER COVERAGE FORM
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

A. If you are an individual and a covered "auto" you own is of the private passenger type and not used in your occupation, profession or business, other than farming, and is not used as a public or livery conveyance including, but not limited to, any period of time a covered "auto" is being used by an insured ("insured") who is logged into a "transportation network platform" as a driver, whether or not a passenger is "occupying" the covered "auto"; and your business shown in the Declarations is not a garage, sales agency, repair shop, service station or public parking place, then the Cancellation Common Policy Condition does not apply. The following conditions apply instead:

1. Cancellation

- a. You or your attorney-in-fact may cancel the Policy by returning to us or by mailing to us advance written notice of the date cancellation is to take effect.
- b. We may cancel this Policy by mailing or delivering to the first Named Insured shown in the Declarations written notice of cancellation at least:
 - (1) 15 days before the effective date of cancellation if we cancel for nonpayment of premium; or
 - (2) 45 days before the effective date of cancellation if we cancel for any other reason.
- c. When this Policy is in effect 60 days or more or is a renewal or continuation policy, we may only cancel for one or more of the following reasons:
 - (1) Nonpayment of premium.

- (2) Your driver's license or that of a driver who lives with you or customarily uses the covered "auto" has been suspended or revoked during the policy period or, if the Policy is a renewal, during its policy period or the 90 days immediately preceding the last effective date.
- (3) You or your attorney-in-fact has notified us that you have changed your legal residence to a state other than Virginia and your covered "auto" will be principally garaged in your new state.
- (4) We replace this Policy with another one providing similar coverages and the same limits for the covered "auto". The replacement policy will take effect when this Policy is cancelled and will end a year after this Policy begins or on this Policy's expiration date, whichever is earlier.
- **d.** Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
- e. If this Policy is cancelled, you may be entitled to a premium refund. If so, we will send the first Named Insured the refund. However, making or offering to make the refund is not a condition of cancellation. If you or your attorney-in-fact cancels, the refund, if any, will be computed in accordance with the procedure described in Paragraph C. of this endorsement.

f. If notice is mailed, proof of mailing will be sufficient proof of notice.

2. Nonrenewal

- a. If we decide not to renew or continue this Policy, we will mail the first Named Insured shown in the Declarations notice at least 45 days before the end of the policy period. If the Policy is written for a period of less than one year or without a fixed expiration date, we will have the right not to renew or continue a particular coverage only at the end of any six-month period following its original effective date.
- b. If we or our agent offers to renew or continue this Policy and you or your attorney-in-fact does not accept, this Policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you or your attorney-in-fact has not accepted our offer.

3. Mailing Of Notices

- a. Any notice of cancellation or nonrenewal will be mailed to the first Named Insured's last known address in accordance with Virginia Law. However, we may deliver any notice instead of mailing it.
- b. The notice of cancellation or nonrenewal will state the specific reason(s) for cancellation or nonrenewal, except when a policy is being cancelled or nonrenewed for nonpayment of premium.
- B. For all other risks not described in Paragraph A. above:
 - Paragraphs 1. and 2. of the Cancellation Common Policy Condition are replaced by the following:
 - a. You or your attorney-in-fact may cancel the Policy by mailing or delivering to us advance written notice of the date cancellation is to take effect.
 - b. We may cancel the Policy by mailing or delivering to the first Named Insured shown in the Declarations written notice of cancellation, stating the reason(s) for cancellation, at least:
 - (1) 15 days before the effective date of cancellation if we cancel for nonpayment of premium; or

- (2) 45 days before the effective date of cancellation if we cancel for any other reason.
- **2.** Paragraph **3.** of the **Cancellation** Common Policy Condition does not apply.
- **3.** Paragraph **5.** of the **Cancellation** Common Policy Condition is replaced by the following:
 - 5. If this Policy is cancelled, you may be entitled to a premium refund. If so, we will send the first Named Insured the refund. However, making or offering to make the refund is not a condition of cancellation. If you or your attorney-in-fact cancels, the refund, if any, will be computed in accordance with the procedure described in Paragraph C. of this endorsement.
- 4. The following conditions are added:

a. Nonrenewal

- (1) We may nonrenew the Policy by mailing or delivering to the first Named Insured shown in the Declarations written notice of nonrenewal, stating the reason for nonrenewal, at least:
 - (a) 15 days before the expiration date of the Policy if we nonrenew for nonpayment of premium; or
 - **(b)** 45 days before the expiration date of the Policy if we nonrenew for any other reason.
- (2) If we or our agent offers to renew or continue this Policy and you or your attorney-in-fact does not accept, this Policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you or your attorney-in-fact has not accepted our offer.

b. Mailing Of Notices

Any notice of cancellation or nonrenewal will be mailed to the first Named Insured's last known address in accordance with Virginia Law. However, we may deliver any notice instead of mailing it.

- **C.** The following provisions govern the calculation of return premium for all risks:
 - 1. We will compute return premium pro rata and round to the next higher whole dollar when a policy is cancelled:

- a. At our request;
- b. Because you no longer have a financial or insurable interest in the property or business operation that is the subject of insurance;
- **c.** And rewritten by us or a member of our company group; or
- **d.** After the first year, if it is a prepaid policy written for a term of more than one year.
- 2. When this Policy is cancelled at your request (except when Paragraph 1.b., 1.c. or 1.d. applies), we will return 90% of the pro rata unearned premium, rounded to the next higher whole dollar. However, when such cancellation takes place during the first year of a multiyear prepaid policy, we will return the full annual premium for the subsequent years. In addition, earned premium will not be less than our policywriting minimum premium.
- 3. When this Policy is cancelled at your request and is an auto dealer's policy written on a reporting form basis, we will calculate the return or additional premium as follows:
 - a. Final annual premium will be determined on the basis of the average value reported during the period in which the Policy was in effect.
 - b. Pro rata earned premium will be determined based on the final annual premium for the number of days the Policy was in force, as determined by Paragraph 3.a., rounded to the next higher whole dollar.

- **c.** Pro rata unearned premium will be determined by subtracting Paragraph **3.b.** from Paragraph **3.a.**
- d. The short rate surcharge will be determined by multiplying the unearned premium by 10% and rounding to the next higher whole dollar.
- e. Calculate the short rate earned premium by adding Paragraphs 3.b. and 3.d.
- f. If the short rate earned premium is less than the sum of all payments (including any deposit premium), the difference is the return premium.
- g. If the short rate earned premium is greater than the sum of all payments (including any deposit premium), the difference is the additional premium due.

However, earned premium will not be less than our policywriting minimum premium.

I. PURPOSE:

The intent and purpose of this Invitation For Sealed Bid is to establish a term contract with one or more qualified sources that can provide **Auto Comprehensive and Collision (physical damage) Insurance** for Virginia Polytechnic Institute and State University (Virginia Tech), an agency of the Commonwealth of Virginia.

The term of this contract is for one (1) year or as negotiated. There will be an option for five (5) one-year renewals, or as negotiated.

II. SMALL, WOMAN-OWNED AND MINORITY (SWAM) BUSINESS PARTICIPATION:

The mission of the Virginia Tech supplier opportunity program is to foster inclusion in the university supply chain and accelerate economic growth in our local communities through the engagement and empowerment of high quality and cost competitive small, minority-owned, women-owned, and local suppliers. Virginia Tech encourages prime suppliers, contractors, and service providers to facilitate the participation of small businesses, and businesses owned by women and minorities through partnerships, joint ventures, subcontracts, and other inclusive and innovative relationships.

III. <u>BACKGROUND</u>:

Virginia Polytechnic Institute and State University (Virginia Tech) is located in Blacksburg, Virginia, approximately 40 miles southwest of Roanoke, Virginia, the major commercial hub of the area. In addition to the university's main campus in Blacksburg, major off campus locations include twelve agriculture experiment research stations, the Marion duPont Scott Equine Medical Center and graduate centers in Roanoke and Fairfax, Virginia. Regularly scheduled air service is provided at the Roanoke Regional Airport.

Dedicated to its motto, Ut Prosim (That I May Serve), Virginia Tech takes a hands-on, engaging approach to education, preparing scholars to be leaders in their fields and communities. As the Commonwealth's most comprehensive university and its leading research institution, Virginia Tech offers 240 undergraduate degree programs to more than 31,000 students and manages a research portfolio of nearly \$513 million. The university fulfills its land-grant mission of transforming knowledge to practice through technological leadership and by fueling economic growth and job creation locally, regionally, and across Virginia.

IV. <u>EVA BUSINESS-TO-GOVERNMENT ELECTRONIC PROCUREMENT SYSTEM:</u>

The eVA Internet electronic procurement solution streamlines and automates government purchasing activities within the Commonwealth of Virginia. Virginia Tech, and other state agencies and institutions, have been directed by the Governor to maximize the use of this system in the procurement of goods and services. We are, therefore, requesting that your firm register as a trading partner within the eVA system.

There are registration fees and transaction fees involved with the use of eVA. These fees must be considered in the provision of quotes, bids and price proposals offered to Virginia Tech. Failure to register within the eVA system may result in the quote, bid or proposal from your firm being rejected and the award made to another vendor who is registered in the eVA system.

Registration in the eVA system is accomplished on-line. Your firm must provide the necessary information. Please visit the eVA website portal at http://www.eva.virginia.gov/pages/eva-registration-buyer-vendor.htm and register both with eVA and Ariba. This process needs to be completed before Virginia Tech can issue your firm a Purchase Order or contract. If your firm

conducts business from multiple geographic locations, please register these locations in your initial registration.

For registration and technical assistance, reference the eVA website at: http://www.eva.virginia.gov, or call 866-289-7367 or 804-371-2525.

V. <u>CONTRACT PARTICIPATION</u>:

Accordingly, any public body, public or private health or educational institutions, or Virginia Tech's affiliated corporations and/or partnerships may access any resulting contract if authorized by the contractor.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor, the resultant contract may be extended to the entities indicated above to purchase at contract prices in accordance with contract terms. The Contractor shall notify Virginia Tech in writing of any such entities accessing the contract, if requested. No modification of this contract or execution of a separate contract is required to participate. The Contractor will provide semi-annual usage reports for all entities accessing the Contract as requested. Participating entities shall place their own orders directly with the Contractor and shall fully and independently administer their use of the contract to include contractual disputes, invoicing and payments without direct administration from Virginia Tech. Virginia Tech shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the contract. It is understood and agreed that Virginia Tech is not responsible for the acts or omissions of any entity, and will not be considered in default of the contract no matter the circumstances.

Please refer to Attachment B, Zone Map, if the offeror wishes to submit separate pricing structure based on approved zones for cooperative institutions. Refer to Attachment B for the approved Zone Map. If no other prices are offered, pricing provided will apply to all zones in the Commonwealth. If you wish to provide pricing for a zone other than which this solicitation originated, please indicate you are doing so in the response. BUSINESS AUTO COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions

Item Two of the Declarations shows the "autos" that are covered "autos" for each of your coverages. The following numerical symbols describe the "autos" that may be covered "autos". The symbols entered next to a coverage on the Declarations designate the only "autos" that are covered "autos".

A. Description Of Covered Auto Designation Symbols

B. Owned Autos You Acquire After The Policy Begins

- If Symbols 1, 2, 3, 4, 5, 6 or 19 are entered next to a coverage in Item Two of the Declarations, then you have coverage for "autos" that you acquire of the type described for the remainder of the policy period.
- 2. But, if Symbol 7 is entered next to a coverage in Item Two of the Declarations, an "auto" you acquire will be a covered "auto" for that coverage only if:
 - a. We already cover all "autos" that you own for that coverage or it replaces an "auto" you previously owned that had that coverage; and
 - **b.** You tell us within 30 days after you acquire it that you want us to cover it for that coverage.

C. Certain Trailers, Mobile Equipment And Temporary Substitute Autos

 - d. "Loss"; or
 - e. Destruction.

SECTION II – LIABILITY COVERAGE

A. Coverage

We will pay all sums an "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of a covered "auto".

We will also pay all sums an "insured" legally must pay as a "covered pollution cost or expense" to which this insurance applies, caused by an "accident" and resulting from the ownership, maintenance or use of covered "autos". However, we will only pay for the "covered pollution cost or expense" if there is either "bodily injury" or "property damage" to which this insurance applies that is caused by the same "accident".

We have the right and duty to defend any "insured" against a "suit" asking for such damages or a "covered pollution cost or expense". However, we have no duty to defend any "insured" against a "suit" seeking damages for "bodily injury" or "property damage" or a "covered pollution cost or expense" to which this insurance does not apply. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Liability Coverage Limit of Insurance has been exhausted by payment of judgments or settlements.

1. Who is An Insured

The following are "insureds":

- a. You for any covered "auto".
- **b.** Anyone else while using with your permission a covered "auto" you own, hire or borrow except:
 - (1) The owner or anyone else from whom you hire or borrow a covered "auto".

This exception does not apply if the covered "auto" is a "trailer" connected to a covered "auto" you own.

- (2) Your "employee" if the covered "auto" is owned by that "employee" or a member of his or her household.
- (3) Someone using a covered "auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.
- (4) Anyone other than your "employees", partners (if you are a partnership), members (if you are a limited liability company) or a lessee or borrower or any of their "employees", while moving property to or from a covered "auto".
- (5) A partner (if you are a partnership) or a member (if you are a limited liability company) for a covered "auto" owned by him or her or a member of his or her household.
- **c.** Anyone liable for the conduct of an "insured" described above but only to the extent of that liability.

2. Coverage Extensions

a. Supplementary Payments

We will pay for the "insured":

- (1) All expenses we incur.
- (2) Up to \$2,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (3) The cost of bonds to release attachments in any "suit" against the "insured" we defend, but only for bond amounts within our Limit of Insurance.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$250 a day because of time off from work.
- (5) All court costs taxed against the "insured" in any "suit" against the "insured" we defend. However, these payments do not include attorneys' fees or attorneys' expenses taxed against the "insured".

(6) All interest on the full amount of any judgment that accrues after entry of the judgment in any "suit" against the "insured" we defend, but our duty to pay interest ends when we have paid, offered to pay or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the Limit of Insurance.

b. Out-of-state Coverage Extensions

While a covered "auto" is away from the state where it is licensed we will:

- (1) Increase the Limit of Insurance for Liability Coverage to meet the limits specified by a compulsory or financial responsibility law of the jurisdiction where the covered "auto" is being used. This extension does not apply to the limit or limits specified by any law governing motor carriers of passengers or property.
- (2) Provide the minimum amounts and types of other coverages, such as no-fault, required of out-of-state vehicles by the jurisdiction where the covered "auto" is being used.

We will not pay anyone more than once for the same elements of loss because of these extensions.

B. Exclusions

This insurance does not apply to any of the following:

1. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the "insured".

2. Contractual

Liability assumed under any contract or agreement.

But this exclusion does not apply to liability for damages:

- a. Assumed in a contract or agreement that is an "insured contract" provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement; or
- **b.** That the "insured" would have in the absence of the contract or agreement.

This exclusion applies:

- (1) Whether the "insured" may be liable as an employer or in any other capacity; and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

But this exclusion does not apply to "bodily injury" to domestic "employees" not entitled to workers' compensation benefits or to liability assumed by the "insured" under an "insured contract". For the purposes of the coverage form, a domestic "employee" is a person engaged in household or domestic work performed principally in connection with a residence premises.

5. Fellow Employee

"Bodily injury" to:

- a. Any fellow "employee" of the "insured" arising out of and in the course of the fellow "employee's" employment or while performing duties related to the conduct of your business; or
- **b.** The spouse, child, parent, brother or sister of that fellow "employee" as a consequence of Paragraph **a.** above.

6. Care, Custody Or Control

clusion does not apply to liability assumed under a sidetrack agreement.

7. Handling Of Property

"Bodily injury" or "property damage" resulting from the handling of property:

- a. Before it is moved from the place where it is accepted by the "insured" for movement into or onto the covered "auto"; or

- a. Any equipment listed in Paragraphs 6.b. and 6.c. of the definition of "mobile equipment"; or
- b. Machinery or equipment that is on, attached to or part of a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged.

10. Completed Operations

"Bodily injury" or "property damage" arising out of your work after that work has been completed or abandoned.

In this exclusion, your work means:

- Work or operations performed by you or on your behalf; and
- **b.** Materials, parts or equipment furnished in connection with such work or operations.

Your work includes warranties or representations made at any time with respect to the fitness, quality, durability or performance of any of the items included in Paragraph a. or b. above.

Your work will be deemed completed at the earliest of the following times:

(1) When all of the work called for in your contract has been completed.

- (2) When all of the work to be done at the site has been completed if your contract calls for work at more than one site.
- (3) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

11. Pollution

"Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

- a. That are, or that are contained in any property that is:
 - (1) Being transported or towed by, handled or handled for movement into, onto or from the covered "auto":
 - (2) Otherwise in the course of transit by or on behalf of the "insured"; or
 - (3) Being stored, disposed of, treated or processed in or upon the covered "auto";
- b. Before the "pollutants" or any property in which the "pollutants" are contained are moved from the place where they are accepted by the "insured" for movement into or onto the covered "auto"; or
- c. After the "pollutants" or any property in which the "pollutants" are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the "insured".

Paragraph a. above does not apply to fuels, lubricants, fluids, exhaust gases or other similar "pollutants" that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the covered "auto" or its parts, if:

(1) The "pollutants" escape, seep, migrate or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such "pollutants"; and (2) The "bodily injury", "property damage" or "covered pollution cost or expense" does not arise out of the operation of any equipment listed in Paragraphs 6.b. and 6.c. of the definition of "mobile equipment".

Paragraphs **b.** and **c.** above of this exclusion do not apply to "accidents" that occur away from premises owned by or rented to an "insured" with respect to "pollutants" not in or upon a covered "auto" if:

- (a) The "pollutants" or any property in which the "pollutants" are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and

13. Racing

Covered "autos" while used in any professional or organized racing or demolition contest or stunting activity, or while practicing for such contest or activity. This insurance also does not apply while that covered "auto" is being prepared for such a contest or activity.

C. Limit Of Insurance

Regardless of the number of covered "autos", "insureds", premiums paid, claims made or vehicles involved in the "accident", the most we will pay for the total of all damages and "covered pollution cost or expense" combined resulting from any one "accident" is the Limit of Insurance for Liability Coverage shown in the Declarations.

All "bodily injury", "property damage" and "covered pollution cost or expense" resulting from

continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident".

No one will be entitled to receive duplicate payments for the same elements of "loss" under this coverage form and any Medical Payments Coverage endorsement, Uninsured Motorists Coverage endorsement or Underinsured Motorists Coverage endorsement attached to this Coverage Part.

A. Loss Conditions

1. Appraisal For Physical Damage Loss

If you and we disagree on the amount of "loss", either may demand an appraisal of the "loss". In this event, each party will select a competent appraiser. The two appraisers will select a competent and impartial umpire. The appraisers will state separately the actual cash value and amount of "loss". If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- **b.** Bear the other expenses of the appraisal and umpire equally.

If we submit to an appraisal, we will still retain our right to deny the claim.

2. Duties In The Event Of Accident, Claim, Suit Or Loss

We have no duty to provide coverage under this policy unless there has been full compliance with the following duties:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident" or "loss". Include:
 - (1) How, when and where the "accident" or "loss" occurred;
 - (2) The "insured's" name and address; and
 - (3) To the extent possible, the names and addresses of any injured persons and witnesses.
- **b.** Additionally, you and any other involved "insured" must:

- (1) Assume no obligation, make no payment or incur no expense without our consent, except at the "insured's" own cost.
- (2) Immediately send us copies of any request, demand, order, notice, summons or legal paper received concerning the claim or "suit".
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit".
- **(4)** Authorize us to obtain medical records or other pertinent information.
- (5) Submit to examination, at our expense, by physicians of our choice, as often as we reasonably require.
- c. If there is "loss" to a covered "auto" or its equipment you must also do the following:
 - (1) Promptly notify the police if the covered "auto" or any of its equipment is stolen.
 - (2) Take all reasonable steps to protect the covered "auto" from further damage. Also keep a record of your expenses for consideration in the settlement of the claim.
 - (3) Permit us to inspect the covered "auto" and records proving the "loss" before its repair or disposition.
 - (4) Agree to examinations under oath at our request and give us a signed statement of your answers.

3. Legal Action Against Us

No one may bring a legal action against us under this coverage form until:

- a. There has been full compliance with all the terms of this coverage form; and
- b. Under Liability Coverage, we agree in writing that the "insured" has an obligation to pay or until the amount of that obligation has finally been determined by judgment after trial. No one has the right under this policy to bring us into an action to determine the "insured's" liability.

4. Loss Payment – Physical Damage Coverages

At our option we may:

 Pay for, repair or replace damaged or stolen property;

- **b.** Return the stolen property, at our expense. We will pay for any damage that results to the "auto" from the theft: or
- c. Take all or any part of the damaged or stolen property at an agreed or appraised value.

If we pay for the "loss", our payment will include the applicable sales tax for the damaged or stolen property.

5. Transfer Of Rights Of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this coverage form has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "accident" or "loss" to impair them.

B. General Conditions

1. Bankruptcy

Bankruptcy or insolvency of the "insured" or the "insured's" estate will not relieve us of any obligations under this coverage form.

2. Concealment, Misrepresentation Or Fraud

This coverage form is void in any case of fraud by you at any time as it relates to this coverage form. It is also void if you or any other "insured", at any time, intentionally conceal or misrepresent a material fact concerning:

- a. This coverage form;
- b. The covered "auto";
- c. Your interest in the covered "auto"; or
- d. A claim under this coverage form.

3. Liberalization

If we revise this coverage form to provide more coverage without additional premium charge, your policy will automatically provide the additional coverage as of the day the revision is effective in your state.

4. No Benefit To Bailee - Physical Damage Coverages

We will not recognize any assignment or grant any coverage for the benefit of any person or organization holding, storing or transporting property for a fee regardless of any other provision of this coverage form.

5. Other Insurance

- a. For any covered "auto" you own, this coverage form provides primary insurance. For any covered "auto" you don't own, the insurance provided by this coverage form is excess over any other collectible insurance. However, while a covered "auto" which is a "trailer" is connected to another vehicle, the Liability Coverage this coverage form provides for the "trailer" is:
 - (1) Excess while it is connected to a motor vehicle you do not own.
 - (2) Primary while it is connected to a covered "auto" you own.
- b. For Hired Auto Physical Damage Coverage, any covered "auto" you lease, hire, rent or borrow is deemed to be a covered "auto" you own. However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".
- **c.** Regardless of the provisions of Paragraph **a.** above, this coverage form's Liability Coverage is primary for any liability assumed under an "insured contract".
- d. When this coverage form and any other coverage form or policy covers on the same basis, either excess or primary, we will pay only our share. Our share is the proportion that the Limit of Insurance of our coverage form bears to the total of the limits of all the coverage forms and policies covering on the same basis.

6. Premium Audit

- a. The estimated premium for this coverage form is based on the exposures you told us you would have when this policy began. We will compute the final premium due when we determine your actual exposures. The estimated total premium will be credited against the final premium due and the first Named Insured will be billed for the balance, if any. The due date for the final premium or retrospective premium is the date shown as the due date on the bill. If the estimated total premium exceeds the final premium due, the first Named Insured will get a refund.
- **b.** If this policy is issued for more than one year, the premium for this coverage form will be computed annually based on our rates or premiums in effect at the beginning of each year of the policy.

7. Policy Period, Coverage Territory

Under this coverage form, we cover "accidents" and "losses" occurring:

- During the policy period shown in the Declarations; and
- **b.** Within the coverage territory.

The coverage territory is:

- (1) The United States of America;
- (2) The territories and possessions of the United States of America;
- (3) Puerto Rico;
- (4) Canada; and
- (5) Anywhere in the world if:
 - (a) A covered "auto" of the private passenger type is leased, hired, rented or borrowed without a driver for a period of 30 days or less; and
 - (b) The "insured's" responsibility to pay damages is determined in a "suit" on the merits, in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

We also cover "loss" to, or "accidents" involving, a covered "auto" while being transported between any of these places.

8. Two Or More Coverage Forms Or Policies Issued By Us

If this coverage form and any other coverage form or policy issued to you by us or any company affiliated with us applies to the same "accident", the aggregate maximum Limit of Insurance under all the coverage forms or policies shall not exceed the highest applicable Limit of Insurance under any one coverage form or policy. This condition does not apply to any coverage form or policy issued by us or an affiliated company specifically to apply as excess insurance over this coverage form.

An "insured contract" does not include that part of any contract or agreement:

However, we have no duty to defend "suits" for "bodily injury" or "property damage" to which this insurance does not apply. The following conditions apply instead:

1. Cancellation

- a. You or your attorney-in-fact may cancel the Policy by returning to us or by mailing to us advance written notice of the date cancellation is to take effect.
- b. We may cancel this Policy by mailing or delivering to the first Named Insured shown in the Declarations written notice of cancellation at least:

 - 2. Paragraph 3. of the Cancellation Common Policy Condition does not apply.
 - **3.** Paragraph **5.** of the **Cancellation** Common Policy Condition is replaced by the following:

- 5. If this Policy is cancelled, you may be entitled to a premium refund. If so, we will send the first Named Insured the refund. However, making or offering to make the refund is not a condition of cancellation. If you or your attorney-in-fact cancels, the refund, if any, will be computed in accordance with the procedure described in Paragraph C. of this endorsement.
- 4. The following conditions are added:

a. Nonrenewal

- (1) We may nonrenew the Policy by mailing or delivering to the first Named Insured shown in the Declarations written notice of nonrenewal, stating the reason for nonrenewal, at least:
 - (a) 15 days before the expiration date of the Policy if we nonrenew for nonpayment of premium; or
 - **(b)** 45 days before the expiration date of the Policy if we nonrenew for any other reason.
- (2) If we or our agent offers to renew or continue this Policy and you or your attorney-in-fact does not accept, this Policy will terminate at the end of the current policy period. Failure to pay the required renewal or continuation premium when due shall mean that you or your attorney-in-fact has not accepted our offer.

b. Mailing Of Notices

Any notice of cancellation or nonrenewal will be mailed to the first Named Insured's last known address in accordance with Virginia Law. However, we may deliver any notice instead of mailing it.

- **C.** The following provisions govern the calculation of return premium for all risks:
 - We will compute return premium pro rata and round to the next higher whole dollar when a policy is cancelled:
 - a. At our request;
 - b. Because you no longer have a financial or insurable interest in the property or business operation that is the subject of insurance:
 - **c.** And rewritten by us or a member of our company group; or

- **d.** After the first year, if it is a prepaid policy written for a term of more than one year.
- 2. When this Policy is cancelled at your request (except when Paragraph 1.b., 1.c. or 1.d. applies), we will return 90% of the pro rata unearned premium, rounded to the next higher whole dollar. However, when such cancellation takes place during the first year of a multiyear prepaid policy, we will return the full annual premium for the subsequent years. In addition, earned premium will not be less than our policywriting minimum premium.
- 3. When this Policy is cancelled at your request and is an auto dealer's policy written on a reporting form basis, we will calculate the return or additional premium as follows:
 - a. Final annual premium will be determined on the basis of the average value reported during the period in which the Policy was in effect.
 - **b.** Pro rata earned premium will be determined based on the final annual premium for the number of days the

- Policy was in force, as determined by Paragraph 3.a., rounded to the next higher whole dollar.
- c. Pro rata unearned premium will be determined by subtracting Paragraph 3.b. from Paragraph 3.a.
- d. The short rate surcharge will be determined by multiplying the unearned premium by 10% and rounding to the next higher whole dollar.
- e. Calculate the short rate earned premium by adding Paragraphs 3.b. and 3.d.
- f. If the short rate earned premium is less than the sum of all payments (including any deposit premium), the difference is the return premium.
- g. If the short rate earned premium is greater than the sum of all payments (including any deposit premium), the difference is the additional premium due.

However, earned premium will not be less than our policywriting minimum premium.

#### SUPPLEMENTAL INFORMATION

The following is provided as supplemental information in response to questions that have arisen during previous bid solicitations.

1. Question: Where are vehicles garaged?

Answer: All over the state.

2. Question: Are any garaged in any other states?

Answer: On occasion a vehicle would be assigned to an individual out of state for a period of time. Vehicles do travel out of state.

3. Question: Is there a list of drivers available?

Answer: No.

4. Question: Is state self insuring on liability?

Answer: Yes.

5. Question: Is there a defensive driving program in place for departments using the vehicles listed?

Answer: No defensive driving but all accidents are reviewed by a committee and chronic abusers are required to take defense driving.

6. Question: Is there driver screening before having access to vehicles?

Answer: No. If driving is a function of the job, MVR's are checked at hire and all employees driving state owned vehicles are required to sign the FS-2 form agreeing to update their supervisor if their driving status is changed.

#### IV. EVA BUSINESS-TO-GOVERNMENT ELECTRONIC PROCUREMENT SYSTEM:

The eVA Internet electronic procurement solution streamlines and automates government purchasing activities within the Commonwealth of Virginia. Virginia Tech, and other state agencies and institutions, have been directed by the Governor to maximize the use of this system in the procurement of goods and services. We are, therefore, requesting that your firm register as a trading partner within the eVA system.

There are registration fees and transaction fees involved with the use of eVA. These fees must be considered in the provision of quotes, bids and price proposals offered to Virginia Tech. Failure to register within the eVA system may result in the quote, bid or proposal from your firm being rejected and the award made to another vendor who is registered in the eVA system.

Registration in the eVA system is accomplished on-line. Your firm must provide the necessary information. Please visit the eVA website portal at <a href="http://www.eva.virginia.gov/pages/eva-registration-buyer-vendor.htm">http://www.eva.virginia.gov/pages/eva-registration-buyer-vendor.htm</a> and register both with eVA and Ariba. This process needs to be completed before Virginia Tech can issue your firm a Purchase Order or contract. If your firm

conducts business from multiple geographic locations, please register these locations in your initial registration.

For registration and technical assistance, reference the eVA website at: <a href="http://www.eva.virginia.gov">http://www.eva.virginia.gov</a>, or call 866-289-7367 or 804-371-2525.
