

HokieMart upgrade 22.1 – effective 3/20/22

1. Toggle button between the classic version and new UX will no longer be available on the following pages:
 - Approvals search queue
 - Draft receipts
 - Receiving page

Current version looks like this:

Update: Toggle icon will disappear starting 3/20/22

2. Ability to Expand/Collapse Line Items
 - Expand All and Collapse All options have been added to line items on requisition, purchase order and invoice documents.

1 Item						
Status	Item	Catalog No.	Size/Packaging	Unit Price	Quantity	
1	 Pen, Uniball, Gel, Signo 207, 0.5mm, Black	SAN6125 5	EA	2.17	Qty: 1 EA	 Expand All Collapse All

3. The drop-down selection in the new experience view has been updated so that users can now tab, key down and type ahead to jump through a list of values.

Added hot keys:

***This can be useful when selecting from a large list of account codes.
