

## Pest Control

Virginia Tech has a need for Pest Management Services on a continuous and regular basis for a wide variety of classrooms, laboratories, dining centers, residence halls, and other various buildings on and around campus.

## Virginia Tech Contract Vendors

Refer to [the Virginia Tech contract search site](#) and search keyword pest management to view a list of current contracted vendors.

To use another vendor, follow procurement guidelines for amounts over \$10,000. Submit a quote with your non-catalog HokieMart requisition for processing.

For more information, contact [Procurement](#), 540-231-6221, or [the HokieMart help desk](#).
