The Virginia Tech Rescue Squad administers [University Policy 5450](#).

Departments must contact the [Virginia Tech Rescue Squad](#) to inquire about purchasing an AED. Please visit their website or email vtrs.aed@gmail.com to request a form.

The AED Coordinator will contact the end user to discuss the requirements for the AED purchase. Once approved, a Public Access AED Departmental Approval and Ordering Information memorandum will be provided. Please attach this memorandum to the requisition in HokieMart to confirm VTRS is aware of the purchase, so the AED is added to their master inventory list.

For further information on AED procurement, see the [AED Information page](#).
