How Do I Buy or Handle…

*Biological Safety Cabinets*

Buyer Contact Information:

**Jordan Stump**

Description:

This commodity needs additional approval from [Environmental Health and Safety](#) (EHS).

HokieMart will automatically route requisitions through the approval process when the correct account code is used. The applicable account codes are found on the [Procurement](#) website under the HokieMart tab drop down link called Additional Information. Here you will find the listing for [Account Codes for Administrative Approval](#).
