

How Do I Buy or Handle...

Window Treatments

Description:

Window treatments include draperies, blinds and window coverings. This does not include theater curtains. Contact the buyer to discuss your needs.

Ordering:

Departments must submit a HokieServ requisition for the purchase of all window treatments. To access the login to HokieServ visit the [Facilities Department/Services](#) page.

There are several VASCUPP contracts for window treatments. Go to the [VASCUPP website](#) for a complete list of contract vendors. Type “window treatments” in the “Contract Title” search option.
